## EDUCATION FOUNDATION

Building Better Futures - One Student at a Time

The Education Foundation Board is composed of local citizens like you who are passionate about education and the opportunities that can be provided to our children.

## **A BRIEF HISTORY:**

Work began on creating a foundation in the fall of 2012. The first public meeting was held on May 14, 2013. The Greater St. Albert Catholic Schools Education Foundation was formed and eventually incorporated, under the Societies Act of the Province of Alberta, on July 11, 2014. Work continued to gain federal Charitable Status with CRA and was finally confirmed on April 22, 2016. Since then, the Foundation, both an incorporated society and a registered charity, has worked to provide annual support to members, via several fundraising events, in two specific ways, the awarding of Student Scholarships, which began in 2018 and the provision of project funds through the Group Futures Fund grant program, which began in 2019.

2021 saw the addition of four (4) Grade Nine Scholarships in the amount of \$250 each (Covid-19 postponed the opportunity for 2020, with the cancellation of classes from March to June 2020).

Consider joining our Foundation Board to see how we can work together to build better futures, one student at a time. Applications are currently being accepted for Board members. Application information can be found on the [Join Us](#) page.

# Father Chad

Join Father Chad at Beat The Bishop!

Father Chad grew up in Camrose, Alberta, playing golf since he was a young boy and attending church with his family.

While feeling lost in his life he was able to feel calmness while wearing a rosary given to him by his mom.

He met a young women, while out with friends in Red Deer, who invited him to attend church with her. Although he did not attend with her, he did become interested in learning more about the church. This eventually led him back to the Catholic Church.

After his first confession in 20 years, he started to look into how he could become a priest. He waited a year before making his decision to attend the Seminary.

Being a priest was not something he ever thought of, it was a call that this was something he had to do.
